Customer notification - Animal Health Status Update

13/09/2022

Dear Valued Customer

As part of our response to the July 2022 outbreak of *C. piliforme* in two of the SPF barrier areas (old area 4a and 2), we will be screening all of our SPF barrier area mice and rats monthly for *C. piliforme* for the next 6 months. This letter is to update you on the recent *C. piliforme* screening results for the production rat SPF barrier area 4b

Sampling Month	September
Sample type	Serology
Results	0/68

Please note all of our other SPF barrier areas and isolators are *C. piliforme* negative.

Individual area health reports can be found on our website www.arc.wa.gov.au

Please do not hesitate to contact us if you require further information or assistance via orders@arc.wa.gov.au.

Kind Regards

Dr Kirsty Moynihan
